Large Format Archival Paper Printing Notes: Archival print on digital FineArt media. Dimensions are actual art image size and will print with up to 1" margins beyond the image dimensions stated or 2.5" for canvas. Custom margin and image sizes are available on request. We recommend ordering a \$35 proof with clip test for enlargements.

Terms and Conditions

Art capture and proofing fee includes resolution up to 200 - 300 ppi at size 16-bit capture and one accurate color matched proof. Additional proofing or alternate media type add \$29 per proof. Proofing fee for external digital files without matching to original source is \$35. All files and captures require a proof, we reserve the right to reject low-end digital files or non-professional digital captures of original art. Framed artwork will incur a de-framing fee of \$25. Orders over \$400 require a 50% pre-paid deposit. All electronic uploads must be done through our website, not third-party transfers or email services. We Accept MasterCard, Visa, American Express, Discover, and Checks. We require a \$75 minimum for all shipped orders. Drop shipping incurs an additional fee. Our pricing, terms, and conditions subject to change without notice. All projects take up 7 days to complete. If you need your project in a rush, please pre-pay the invoice in full to be accommodated, changes cannot be made to rush orders. We do not print from JPEGs our PNG files.
